

XINYI CHEN / AYIMO

ANIMATOR / VISUAL ARTIST

Multidisciplinary animator working across 2D, 3D and collage, with a current focus on frame-by-frame 2D animation in Procreate Dreams. I create dialogue-free stories for all ages, letting the idea choose the medium.

SELECTED PROJECTS

LOOK AT ME / 2026 / 2D frame-by-frame comedy
Director / Animator / Character Designer

A shape-shifting black cat transforms into objects and expands her scale in increasingly comic attempts to attract her owner's attention.
Procreate / Procreate Dreams

FOX / 2025 / 2D silhouette animation
Director / Animator / Character Designer

Inspired by Chinese shadow puppetry, using rigged silhouettes, joint-based performance and a fixed camera to tell a story through shadows.
Adobe Animate / Procreate

DREAM / 2024 / 2D collage animation
Director / Animator

A collage film expressing a child's grief and longing for peace, inspired by images of children affected by the war in Syria.
Adobe Photoshop / Procreate Dreams

GOLDEN CROW / 2023 / 3D character design
Character Designer / 3D Modeller / Rigger

Reimagines the surviving sun crow from Chinese mythology, carrying his brothers' remains and Hou Yi's arrows as a visual story of loss.
ZBrush / 3ds Max / Maya / Adobe Substance 3D Painter
